## INTIMATE THOUGHTS AND XXX ADVICE

# THE BOX

*A toy box is filled with fun for two insatiable, hot girls.*

"Hey, the mail's here. Someone must've sent you a present. There's a big box for you."

"What's the return address? Who's it from?"

"It's some company in California."

"Oh, good! Come with me!"

"What's up? Come with you where?"

"Come with me, my pretty," I said, twirling a fake mustache and pulling Paula by the hand off to the bedroom. "You open the box while I get ready." I handed her a nail file, then pulled off my shirt, leaving my bare breasts exposed, slipped off my shorts, and stepped out of my panties.

"What in the heck is in the box? Why are you taking off your clothes?" Paula asked, with a gleam in her eye.

"You'll see. Just get that box open. I saw these toys in a catalog and thought we could have some fun on a rainy day. And since it's raining, the mail came just in time."

I walked to the bed, where Paula was sitting and working on tearing open the package. Slipping her shirt off, I knelt by the bed, kissing her knees. She

wrestled with the wrappings, finally getting the flaps of the box open.

"Oh, damn," I said, jumping up to hurry to the kitchen, where we keep the new batteries. "Be right back.... Don't open anything more till I get back." Fortunately I'd just bought a package of D batteries.

"Okay, keep opening," I said, as I settled myself on the floor again, batteries in hand.

"What is this?!" Paula yelled as she extracted one object from the box.

"Take off the plastic and you'll see."

"It's a...neon...pink...jelly...vibrator!"

"Correct. And that's not all. But we can leave the rest for later."

It was a big, sweet, glowing, pink tool, around six inches long and one end was about as fat as a good-sized zucchini. In fact, its name was The Zucci, and it looked like I could screw it right up into Paula's pussy. Of course, that was the idea.

I took the vibrator from Paula's hands, took off its top, slipped in the batteries, and said, "Now, my sweet, I'm gonna show you a real good time. Just

your cock makes my mouth water!

call me Snively Pussylash."

Paula squealed with delight as I turned on our new toy to check out its operation. It made an intriguing loud hum, louder as I turned it up to vibrate harder.

Beginning at Paula's toes, I kissed my way up to her calves, all bronze from her hours of sunbathing on the roof. Then I found her knees again. She was all quivery and giggly as she always was when I was making love to her. But as I reached her inner thighs, making my way up the inside of her legs, I noticed that she wasn't quite undressed yet.

"Do I have to remove these myself?" I asked with mock gruffness, tugging at her silky pink panties.

"That would be okay, too," she said. So I reached around her waist and pulled the pink fabric down to her hips. At that point it seemed like a good thing to sit on my knees between her legs. As I worked the panties down, she lifted one leg to my shoulder, then the other, high in the air, so I could remove the impediment to my desire.

"That's better," I said, as I rubbed my face back and forth in her bush. "Ah, girl-scent. I'm psyched."

Paula lay back on the bed with her legs extended over the end. I kissed her belly and massaged it, running my hands over her hips and massaging her

bush. It wasn't long before she was exuding juices and moaning. I tickled the inside of her legs with my tongue, exhaling warm air and blowing the hair on her pussy. With every breath, she opened her legs a little wider. I blew more puffs of air and was quickly within a fraction of an inch from her fragrant, liquid-drenched flesh.

With the tips of my fingers, I began tickling her pussy-lips. Paula moaned, trying to grab my hand in order to direct the fingers to her goal. I knew she was getting to the point where she really wanted to have something inside her. So I pulled out the new neon pink toy and turned it on slow. I took its tip and touched her lips, moving it up and down, teasing her.

Still on my knees, I took the vibrator and gently inserted it into Paula's hungry pussy. As soon as it was settled in as far as it would go, I turned up the volume to medium and watched her squirm against it.

"Oh, yeah, I really like this," she said. "More, more, more."

So I turned it up and watched her as she moved rhythmically against the vibrator. The thing that would get her off would be my licking her clit, sucking it, with the vibrator still high in her pussy.

With one hand working the vibrator back and forth in her pussy, I parted the top of her lips and stroked her clitoris with the fingers of my other hand. She was writhing and squirming as if I'd slipped a snake up her hole.

As much as she liked this, I knew what she really wanted was my mouth. I teased her clit, holding the tip between my thumb and forefinger, rubbing and twisting it slightly until it was erect. With my other hand, I pushed slightly against the vibrator and found it would go in even higher. I twisted it back and forth as it hummed happily in her hole.

Paula was holding wads of bedspread in her fists. She was high, ready to get off. So I put my lips on that bit of exquisite flesh that was the key to her pleasure and licked its crown. She began to shudder. I took it into my mouth and began to suck, feeling her juices against my cheeks and running down my mouth and chin.

All of a sudden she began jerking and groaning as if jolts of electricity were passing through her. She screamed out, "Oh, oh, dear god, don't stop." She was spasming over and over, as I held her delicate flesh in my mouth until she was spent.

When she recovered herself, she sat up and

grabbed me by the hair on my head, half dragging me up beside her in the bed.

"Now," she said, "we're going to see how you like playing with the new toy."

"I'm all for it." As a matter of fact, I could hardly wait.

Paula half climbed on top of me and began kissing my breasts, neck, and shoulders. She wrapped one leg around so it was between mine. She's a sturdy little butch who likes to be on top, and I'm perfectly happy to let her be there. She kissed me on my waist and belly, heading down to that place where I was waiting for her.

I was ready for that neon pink plastic joystick. In fact, I wished she'd hurry. "Paula...anytime," I said against her neck; the sound was sort of muffled.

"Oh, yeah...? How much do you want it? How badly do you want that big, fat, pink dildo between your legs and up inside you? Do you want it fast or slow?"

"Real bad," I said. "Real bad and real fast." I was dripping with juices and oh, so ready.

She parted my labia with her hand, teasing the outer lips, rubbing up and down until her hand was covered with my slippery lube. Then she touched me where I wanted her to be, and my clit stood up like it was a scout saluting the flag. As wet as I was, I knew that Paula could slip in the vibrator with no problem. I opened up as wide as I could.

"Hurry, honey, hurry. I'm ready." She teased me with it, the vibrating shaft gliding into my crotch ever so slowly, increasing my desire for its fullness in my pussy. She angled and held it against my g-spot, which sent me into my first orgasm. I was aware of its approach and could feel the buzzing, slow at first, then fast, a buzzing that detonated into a full, throbbing climax. It went on and on. Just when I thought I was ready to rest, Paula turned up the vibrator, and I began spasming again.

"I'm speechless," I said as I lay exhausted, still feeling the contractions of my pussy walls and the vibrator's insistent whirring.

"Oh, yeah?! That's what you think."

Instead of removing the vibrator, she turned it up again and began pinching my nipples, twisting them gently and kissing me with her tongue so far in my mouth I thought I'd swallow it. To my surprise, I turned on even more than before. I was pushing against the vibrator, rocking against its smooth

pulsations, rising to an arousal even stronger than the first one. I couldn't believe that I could feel like this after I'd had such a strong climax, but there it was. I was right at the edge of another orgasm and only needed Paula's hot mouth on my clit to push me over.

Paula continued to massage my nipples as she crawled to the foot of the bed. I was still rocking and rolling with the electric rhythm and hoping that she'd go down on me fast and hard like I like it. I didn't have long to wait. Her velvet tongue began massaging and teasing my swollen button, licking

around its sides, rolling its tip between her lips, while the vibrator buzzed in me.

This time it was even stronger. My pussy contracted over and over in wave after wave. It seemed to go on for hours.

Paula held me as I came, one hand still rocking the vibrator steadily, the other stroking my back and arms. I felt otherworldly, out of my body. I was numb from the strength of the spasms. Paula was lying on her back.

"Well," she said, "that was fun. What else is in your magic toy box?"

"Good grief, girl, aren't you satisfied yet?" She

wanted sex more often than any other girl I'd ever known, so I suspected her need hadn't yet been quenched.

"I'm curious," she answered. "I want to know what other surprises you have."

Fetching the cardboard box from the floor where it had fallen, I dived into it and pulled out another of the toys I'd ordered from the catalog.

"All right!" she exclaimed as she watched me remove the wrapper from a foot-long double-headed dong.

"Paula, I don't know if I'm up to this right now." I'd already come so hard I was shaking.

"Nonsense. I want to try it."

She grabbed me and started making love to me again. Even though I was tired and spent, I knew that she could arouse me. We rolled over each other, kissing and sucking, rubbing and massaging, until we were both hot and wet all over again.

Then she took one of the ends of the long, red double-header and pushed it about five inches into her pussy. She lowered herself over me and put the other end in me, opening me gently with her fingers, then thrusting the tip in, then pushing it farther. She was on top, lying on me, and we both had the thing fully inside us. When she moved, I could feel the pleasure way up inside.

And so she slowly began to fuck me and, as I moved in response to her. The sense of fullness in me was incredible. I moved with her as she directed. She took long, deep strokes, and I could feel it as if it were really part of her. She could feel it too as I moved. We were nearly completely joined, rocking and fucking each other.

This time we took it slow. We wanted to stretch out the sensations as long as we could. She had her arms around me and kissed me over and over, stroking me, and me stroking her, in and out, back and forth, moving in tandem. It was as if we were doing a slow dance with very delicate steps, moving against and with each other. This time when we came it was together. She could control and time her movements until they matched mine, and when she sensed that I was about to climax, she started her own ascent. It was like nothing we'd ever done together.

After it was over, we lay wrapped in each other's arms. When the sensations had finally stopped, Paula said, "So what else is in the box?"

## RILEY

**W**e really like Riley. She's a special kind of person who combine beauty, brains and a special penchant for sex. There are only a few players in this adult business anyone could say that of. **She lights up the screen, be it in stills or live action. She's a real trooper and seems that she likes what she does. And that means, whether she's doing guys or girls; one-on-one or in a group scene; she always stays out.**

## BELLA & KIMBERLY

**A**s the camera shutter fired, we relaxed outside and felt our passions rise. What else could we do? Her fingers got busy as they roamed over my body. My pussy needed attention and she responded so well. I was so hot and my pussy needed to be filled. I wanted her mouth, her long tongue on my pussy. I wanted her to fuck me with that hard dildo in my ass. And after she did, all was good again.

### EVEN MORE FUN

"Come sit down," my boyfriend, Jeremy, called as I came through the door of our new apartment.

He and his best friend, Mike, were drinking beer and watching a video. I sat down between them, tired from a long day of classes. But the video got my attention right away. There were naked bodies all over the place, everybody doing it with everybody else.

"Wouldn't that be hot?" Jeremy whispered.

I was already getting wet, and I thought it would be kind of cool to be doing it in a group like that. So I nodded. Before I knew what was happening, Jeremy slipped his hand up under my sweater and pushed it up over my boobs. "I told you Chrissy was hot. Look at her boobs."

Mike's dark eyes were intense as Jeremy pulled my sweater off over my head. I had never been looked at like that by anybody except Jeremy. But I was all wet and throbbing between my thighs. I was really getting off on having him stare at me.

"Go ahead, give 'em a feel," Jeremy coaxed. I shivered with excitement. My boyfriend was actually offering me to another guy, to feel me while he watched. Oooh, this was so nasty!

Mike didn't have to be asked twice, just grabbed a boob in each hand. It felt so good that I didn't even argue when Jeremy unzipped my jeans and pulled them and my soaked panties off. The whole scene was turning me on big-time. Then Jeremy unbuttoned his fly and hauled out his cock. He started rubbing it up against me while Mike was playing with my boobs. It felt way better than I thought it would, having two guys going at me at the

same time. They were both so turned on, and they both wanted it so bad, that I couldn't argue.

Once I was naked, sandwiched between them, I wouldn't have traded it for anything. I had two guys turning me on at once! Jeremy was already fingering my wet slit and pushing his cock against my pussy from behind when Mike unzipped his jeans. His cock was long and thick, and the purple head was just dripping with his juices. He rested his hand on the back of my head, then twisted his fingers in my blonde hair.

I slowly lowered my face into his lap, blowing on the wet, sticky head. His cock was quivering in anticipation. I flicked my tongue against the sensitive head, teasing and tormenting him, then poked it into his slit. He groaned and humped upward, trying to shove his hard-on into my mouth. But I wasn't ready to suck it yet. There was some other stuff I wanted to do to it first. I licked along the shaft, tracing a path along the bulging vein. Then I nuzzled my tongue against his thick base.

"Suck it, please," he whispered, trying to direct my lips back to his aching cock.

Then Jeremy started rubbing his cock along my crack, finally nudging it against my pussy-hole. I was all hot and wet, ready for him to stick it in. But he kept teasing me. My head was spinning.

BUT I WASN'T READY TO SUCK IT YET. THERE WAS SOME OTHER STUFF I WANTED TO DO FIRST.

He grabbed hold of my boobs and started squeezing them. "Do it," I begged. "Put it in."

"As soon as you start sucking Mike off," he bargained with me.

I didn't waste a second, just opened my mouth and let the hot, sticky head slither onto my tongue. It felt so good, having his hard, smooth cock sliding in and out of my mouth, that I started moaning and humping. I was burning to get Jeremy's cock in me, too.

He finally stopped teasing and

BLAIR-NTS-09

got down to business, shoving it into me in one quick push. I loved it. Having two cocks sliding in and out of my body was totally intense. It felt better than I ever thought it would.

"Oh yeah, baby, suck it. Take it all," Mike whispered, as his cock banged into my tonsils again and again.

They were slamming into me at the same time, while Jeremy played with my boobs with one hand and tickled my clit with the other. I thought I was going to explode, unable to hold back another minute. I swallowed the whole length of Mike's cock, letting it slide all the way into my throat and burying my nose in his curly hairs. It felt like my entire body was on fire!

Then Mike's cock jumped and jerked in my mouth. I clamped my lips around it, readying myself for the second when his cream would squirt out of his slit. Moaning, he jabbed his cock even deeper into my throat as he went off.

I gagged, feeling like I was drowning in the salty liquid. He loosened his hold on my hair and let me pull back, giving me a chance to catch my breath. I swallowed, trying to get all of his cream down. But a little still trickled from the corners of my mouth when I let him slide back out. I licked up almost every drop that was clinging to his cock, and then he shoved it back inside his jeans.

Jeremy was still riding me hard and fast while he rubbed my clit. I moaned and humped against his hand, needing to get off as badly as he did. I felt the heat spread slowly from between my thighs. My entire body trembled, as each muscle contracted—especially my pussy, tightening and squeezing his cock again and again.

Then Jeremy's cock started jerking and twitching inside me, and I felt him shoot. He stayed inside me for a minute, hosing down my pussy with his burning load, then pulled out. He wiped up and stuffed his cock back into his jeans the way Mike had. Then he slumped down

totally exhausted.

"Mmmm, that was so hot, Chrissy. Want to go another round in a couple of minutes? We can give Mikey a chance at your tight little pussy."

I looked at Mike and licked my lips. "After the treat he just gave me, why not?"

He blushed but didn't pass up the opportunity to give my boobs another friendly squeeze. So I reached out, grabbed a cock in each hand and gave a few friendly squeezes of my own. I wanted to be sure they both knew how much I had enjoyed being with them, and how I hoped our special friendship could continue.

### MY TROPHY

I told my boyfriend, Hank, that if he scored a touchdown in the big game, he was going to get something from me, something really special. In the last minute of play time, Hank intercepted the football when the other team's quarterback got blitzed, and he ran straight down that big ol' field for 46 yards, right into the end zone!

After he showered, Hank came outside and swept me up, planting a big, juicy kiss on my lips. I opened my mouth, and let my tongue dart into his. My pussy was already wet.

He let me down slowly, my body rubbing against his. "You know, Hank baby, I'm a girl of my word."

"Oh, yeah." He kissed my neck. "The reward."

I twined my arms around his neck and pressed myself close to him. "You didn't forget, did you?"

"No! So what's this great surprise, Debbi?"

"You'll see." I took his hand, put

it on my breast, and let him feel my hard nipples. He groaned, and his free hand slipped under my short skirt and started rubbing the crotch of my panties. "Come on."

I led him back to my house which would be empty until midnight when my parents would get back from an out-of-town trip. We had the whole place to ourselves.

Once we got inside the front door, I started a little striptease. Hank was groaning by the time I took my blouse off and rubbed the big bulge in his pants. When I removed my bra, and he saw those hard, pink nipples, I just know he almost came! He started sucking my tits, licking and nibbling my nipples. I grabbed his bulge and massaged his hard-on. I could feel his cock throbbing against my hand. What a turn-on that was!

I REACHED OUT, GRABBED A COCK IN EACH HAND AND GAVE A FEW FRIENDLY SQUEEZES OF MY OWN.

I finished stripping and led him into the bedroom, where I quickly took his clothes off. I fell back onto the bed and opened my legs wide. "Eat me."

Hank obliged by burying his face in my blonde pussy, lapping at my sweet honey. His tongue swept up and down my puffy pussy-lips, then played with my overheated clit. I came, my juices gushing out of my pussy and onto Hank's cheeks and chin. He gobbled away. That boy's got a good jaw on him.

Finally, he came up for air. He kissed me, and I tasted my own juices on his lips.

"Ready for your surprise?"

"I thought that was it."

"Oh no, sweetie," I said, as I took his cock in my hand and started stroking it. "Remember what you've always wanted to try...but I wasn't ready for?"

Hank looked puzzled, but then suddenly the light went on. His cock bucked in my hand. "Oh, baby, you don't mean—"

"Yes, I do," I said, turning over so I was on all fours. "Hank, I want you to fuck my virgin ass."

"Oh jeez, Debbi, oh god! Thank you, baby!" Hank positioned himself behind me and shoved two fingers in my wet pussy. There was still plenty of honey left there. Then he gently spread my ass-cheeks and worked a moist finger inside my virgin butt-hole. It felt so tight that I wasn't sure his cock was going to fit. Reading my mind, he scooped more honey out of my box and rubbed it on the head of his cock.

Hank worked his cock around my puckerhole, then suddenly pushed his cock in. I groaned. Then another inch went in, and another. All at once he rammed the entire length of his hot rod into my asshole.

"Hank, fuck me good!"

"I am, baby, I am," he grunted. He pulled his cock almost out of my ass, then slammed it all the way back in. He teased me like that for a long time—pulling out, then pushing it back in. He slipped three fingers inside me, and while he fucked my ass, he fingerfucked my pussy.

Oh wow, it felt so good. I loved being butt-fucked! In and out his thick cock pistoned, while he continued playing with my clit and pussy. I was taking all of him inside me and loving every bit of it!

Hank is such a cool guy. He has real staying power, unlike most of the boyfriends I hear about from my friends. Their lovers usually come in no time at all, but Hank likes to take his time and build up a real head of steam. This time was no different. His balls were slapping against my ass-cheeks, and I thrust back, making his cock plunge deeper inside my tight darkness. It seemed like hours that he fucked me. It went on and on, and I just got hotter and hotter, and my pussy was leaking juices all over his hand and my legs and the bed.

Then suddenly I felt a hot stream of jism spurt inside me. His heat filled me, and I shuddered with climax. Hank bucked against me. As he rocked back and forth, more jism shot up my ass. There was so much that I couldn't take it all in, and it was dripping out while he pumped even more into me. It felt so good! I wanted him to stay there forever, filling me with his hot juice.

"Oh baby, you're so fucking hot!" he said. Finally, he collapsed onto the bed. I curled up alongside him and nearly purred. I felt so good, so content. Idly Hank rolled one of my nipples back and forth between his fingers.

"No, you're great, Hank." I watched as his cock slowly stirred to life. Whatever Hank was thinking about, it must have been turning him on. "Penny for your thoughts?"

He smiled and kissed me hard. His fingers started playing with my long pussy hair, and a few seconds

later he slipped a finger inside me. I lay back on the bed as he fingerfucked my pussy. I came again and again. When it was over, he looked at me, and said, "You know, you are one beautiful girl, Debbi." I just smiled at him. "And you know what I'd like to do?"

"I hope you're gonna fuck me up the ass again," I said.

THEN SUDDENLY I FELT A HOT STREAM OF JISM SPURTING INSIDE ME. HIS HEAT FILLED ME...

Baby, you're a mind reader!" He rolled me over and buried that big cock in my ass again, and we fucked for another three hours.

## LUCY & BLACK ANGELICA

**W**e have to admit that one of the best sexual encounters ever was with guys who had huge cocks. Some chicks think that too big hurts when you fuck. Not us. We've mastered giving head with our mouths and hands so that the guy feels like it's all in. One guy told us if he let us see it before we fucked that we wouldn't do it with him. He unzipped and pulled it out. "Wow," is all we could say. It was just enormous so we just stuck it in our ass.

## TORI & BROOKLYN

**I**t was like visiting a bit of pussy heaven, the photographer on the set told us. He was there from start to cum and even had to leave the set a few times before he embarrassed himself. Apparently there was a lot of hot action and he did his best to capture it. He said Brooklyn was like tigress and Tori was her typical hellcat. When Tori strap-on fucked Brooklyn, the set exploded!
